

Patient Reminder System Acknowledgement

To provide the highest quality patient care, Athletic Orthopedics & Knee Center (AOKC) is providing automated appointment reminders through email.

We understand how busy life can get. Our patient reminder system will notify you by e-mail 3 days prior to your appointment. To avoid being charged, canceling, or rescheduling an appointment requires 24 hr. notice.

Additionally, through our appointment reminder system, we will be able to send you other important news on occasion. Your personal and health information is of utmost importance to us and is never provided to a third party.

Thank you for trusting AOKC to care for all your orthopedic needs.
